Summary

Hello, Recruiter

I am a graduate from BTEC FPT School, with a strong passion for the field of information technology and a willingness to constantly learn. Although my work experience may be limited, I am always willing to accept new challenges and work hard to achieve my goals.

During my studies, I have accumulated some solid foundational knowledge of PHP, JAVASCRIPT, basic JAVA and a little knowledge of Nodejs along with necessary skills such as project management and other skills. important software such as teamwork, effective communication and problem solving. I always set high goals and commit to working with a sense of autonomy and responsibility.

My enthusiasm and determination is something that I believe will make a significant contribution to any project I am involved with. I hope to have the opportunity to be part of a dynamic organization where I can grow and contribute to the company's mission.

Thank you for considering my application.

Best regards,

[Tran Xuan Truong]
